D. The Owner Trustee leased the Cars pursuant to the Lease of Railroad Equipment, dated as of December 1, 1975, between the Owner Trustee, Lessor, and North American Car Corporation (the "Lessee"), as Lessee (the "Lease") recorded by the ICC on December 29, 1975 (recordation number 8162-B).

E. The Owner Trustee, pursuant to the Trust Indenture, dated as of December 1, 1975, between the Owner Trustee and the

Indenture Trustee (the "Trust Indenture") recorded by the ICC on December 29, 1975 (recordation number 8162-C), granted a security interest in the Cars to the Indenture Trustee with a power of sale of the Cars exercisable in the event of default thereunder, and granted a security interest in its rights and interests under the Lease, among other things, all as security against a default under the Trust Indenture.

F. The Owner Trustee assigned all of its rights pursuant to the Lease to the Indenture Trustee under the Assignment of Lease and Agreement, dated as of December 1, 1975, from the Owner Trustee to the Indenture Trustee (the "Assignment of Lease") recorded by the ICC on December 29, 1975 (recordation number 8162-D).

G. The Lessee consented to the Assignment of Lease pursuant to the Lessee's Consent and Agreement, dated as of December 1, 1975, from the Lessee, to the Indenture Trustee and the Owner Trustee recorded by the ICC on December 29, 1975 (recordation number 8162-E).

H. The Lease was amended pursuant to the Amendment Agreement, dated as of March 1, 1977, between the Owner Trustee, as Lessor, and the Lessee recorded by the ICC on March 16, 1977 (recordation number 8162-F).

I. The Lease was subsequently rejected by the Lessee in the jointly administered Chapter 11 cases pending before the United States Bankruptcy Court for the Central District of

California (the "Court"), Bankruptcy Case Nos. LA 84-23401-BR, LA 84-23402-BR, and LA 84-23405-BR through LA 84-23417-BR, styled In Re North American Car Corporation, et al, pursuant to the Orders of the Court set forth in Exhibit B, attached hereto and incorporated herein by this reference, in connection with which the Indenture Trustee and the Lenders, as well as the Owner Trustee and the Owner Participants, may have claims against the Lessee (the "Rejection Claims").

J. Because defaults occurred and were continuing under both the Conditional Sale Agreement and the Trust Indenture, pursuant thereto the Indenture Trustee gave notice of such defaults and of a private sale to be held pursuant to the powers of sale it holds under the Conditional Sale Agreement and the Trust Indenture (the "Private Sale"), held such Private Sale, and sold the Cars to General Electric Railcar Services Corporation ("Buyer"), according to the terms of a Purchase Contract dated as of April 14, 1987 between the Indenture Trustee and Buyer (the "Purchase Contract").

K. Pursuant to the Purchase Contract, the Indenture Trustee has executed and delivered a Bill of Sale in the form of Exhibit C, attached hereto as and incorporated herein by this reference, to Buyer and desires to release the Cars from the liens of the Agreements by filing an original copy of the Bill of Sale and executing and filing this Collateral Release.

L. To induce the Owner Trustee and the Owner Participants to consent to the Private Sale and to release any claims they may have against the Lenders and the Indenture Trustee in connection therewith, the Lenders have agreed, upon effecting the Private Sale as evidenced by filing with the ICC of counterparts of the Bill of Sale as delivered to Buyer pursuant to the terms of the Purchase Contract, to cause the Indenture Trustee to assign the Lease to the Owner Trustee, to release the security interest in the Lease and the Cars granted to the Indenture Trustee by the Trust Indenture, and to assign to the Owner Trustee the Lenders' and the Indenture Trustee's Rejection Claims.

UNDERTAKINGS

1. The Indenture Trustee, as agent for the Lenders, upon effecting of the Private Sale, hereby (a) assigns to the Owner Trustee all rights of the Lenders and the Indenture Trustee in the Lease and the Rejection Claims and (b) releases the Lease and the Cars from the liens of, or created by, each and any of the following:
